

2010 MARYLAND FOOTBALL TICKET/PARKING INFORMATION FOR TERRAPIN CLUB MEMBERS

NEW ORDERS/SEAT IMPROVEMENT REQUESTS

Terrapin Club members receive priority seating in Capital One Field at Byrd Stadium. Final seat location and priority ticket allotment is based on 2010 Terrapin Club giving level and Terpoint priority as of June 1, 2010.

- ▶ All Terrapin Club members requesting improved seat location should write their request in the 'Special Requests/Comments' area on the order form. All requests will be considered based on current Terrapin Club donation, Terpoint priority and seat availability. Visit www.TerrapinClub.com for a seating chart showing available sections by giving level.
- ▶ Terrapin Club members who are new season ticket holders will have their seats assigned based on their 2010 Terrapin Club membership level and Terpoint priority.
- ▶ Members who downgrade their membership to a lower giving level or have not renewed their membership by June 1, 2010 are subject to having their seats moved to a section appropriate for their new giving level or to a non-priority section should the member not renew.

TERRAPIN CLUB PARKING

Terrapin Club members who purchase season tickets are eligible for football parking benefits. **Parking assignments and lots are not guaranteed to be the same from year to year and may change annually based on availability and member priority.** Parking passes cost \$60 for the season (\$10 per game for 6 home games). Navy game parking is available for \$25 and will be assigned based on 2010 giving level and Terpoints priority based upon the number of spaces allocated to Maryland.

SPECIAL REQUESTS

- ▶ All parking spaces are allocated based on 2010 annual giving level and Terpoint priority.
- ▶ Should you upgrade your membership and be eligible to move from a reserved lot to a numbered, assigned lot, you must request this change in writing in the 'Season Parking Information' area on your ticket form. Any other parking requests should also be printed in this area.
- ▶ If you park with a group, please list EACH member of your party. All members of your group must request to tailgate with each other. Requests are reviewed in Terpoint priority and will be fulfilled on an if available basis. Spaces for the group will be assigned on the priority of the member with the fewest Terpoints.
- ▶ There is a limit of one (1) space per four (4) season tickets ordered (i.e. if you have six season tickets, you are eligible to purchase two spaces).

ACCESSIBLE PARKING

- ▶ Each year qualified Terrapin Club members requesting a numbered, assigned space in a disabled location must present appropriate documentation (VR-210 form or similar). The most convenient parking for disabled fans is in the Stadium Drive Garage. A number of permits will be available for Terrapin Club customers needing disabled parking irrespective of giving level. On gameday, parking for disabled fans without season permits is available for \$15 per game on a first-come, first-served basis and patrons must display valid, state issued accessible tags to park in these spaces.

RECREATIONAL VEHICLE (RV) PARKING

- ▶ Terrapin Club RV permits must be purchased through the Ticket Office. The cost is \$240 for the season. RV spaces will be assigned in Terpoint priority order based on the available lots for RV parking.

TERRAPIN CLUB PARKING PERMIT ELIGIBILITY ELIGIBILITY FOR NUMBERED, ASSIGNED SPACES* (LOTS Z/1, 1B, 1D, & STADIUM DRIVE GARAGE)
