

2010 NCAA Men's Basketball Tournament Procedure Guidelines

Information for Terrapin Club Members

NCAA site selection is Sunday, March 14, 2010. Should Maryland be invited to the 2010 NCAA Tournament, this information page will help to answer frequently-asked questions.

TICKET AVAILABILITY

Eligibility for 2010 NCAA ticket benefits is based on the member's 2009 Terrapin Club giving level. We anticipate having the following ticket allotment available for Terrapin Club members.

First and Second Rounds	350	(should Maryland advance to the second round, your credit card will automatically be charged for the second round)
Regionals	1,050	
Final Four	3,500	

Tickets are sold at each regional site as much as a year in advance. The Terrapin Club receives an allotment of tickets to only those rounds in which Maryland plays. Depending on the site in which Maryland plays, it is possible that additional tickets will be available beyond the allotment listed above. Additional tickets, if available, may be purchased by any Terrapin Club member after all initial orders are filled using the priority listed below. Seat location at all rounds is determined by Terpoint priority.

Director's Circle and Top Terp level members will be given priority on the purchase of two tickets to the first and second rounds, if available, and four tickets to the Regionals and Final Four.

Coaches Club level members are given priority on the purchase of two tickets to the Regionals and four tickets to the Final Four, if available.

Super Terrapin level members are given priority on the purchase of two tickets to the Final Four, if available.

All other members may purchase two tickets in priority order, if available.

ORDERING TICKETS

Orders may be placed with the Terrapin Ticket Office during the times listed below. Ticket availability will be confirmed by phone beginning at Noon the Tuesday before the first round and Regionals. Should the Terps advance to the Final Four, ticket ordering procedures will be emailed to all members as soon as available.
